February, 2008

We invite you to join Mission Bay High School seniors as they present themselves to business/community members, parents and MBHS staff for their Senior Exhibitions. This event will take place on Wednesday, April 30, 2008 from 12 noon to approximately 3 p.m. This is an opportunity for you to support MBHS in this culminating activity for the seniors as they prepare to graduate and move on to life's greater challenges.

The Senior Exhibition is a district-wide graduation requirement. The seniors will reflect on their academic experiences while at MBHS and participate in a job interview type format. During the afternoon, you will be evaluating up to five students that have a variety of experiences during their high school years.

We would appreciate your participation on this exciting day. Please complete the form below and respond by mail, FAX or E-mail before Friday, April 11. If you know of other interested colleagues, please share this letter with them or include their contact information below and we will contact them directly. If you have questions, please contact the Employer Outreach Specialist in the Career Center at (858) 273-1313 ext. 106 or E-mail at bmondtsandi.net.
